*Budapest, 5<sup>th</sup> May 2022*

Dear Mr. President,

I would like to express my gratitude for your kind congratulations upon our victory in the Hungarian parliamentary elections.

I am proud that the Hungarian people have shown their faith in independent governance based on national values and have honoured us with their trust for the fifth time now. I believe that this strong mandate is not only a guarantee for Hungary's political stability and economic development but also a courageous stand for the peace and security of our country.

It was an honour to welcome you in Budapest in 2014 and exchange views on matters that determined the fate of our countries. I truly appreciate the open and sincere friendship you have shown towards Hungary and the Hungarian people for many years now. I can assure you that we will remain committed to protecting our shared Christian-conservative values and developing Albanian-Hungarian relations in the future as well.

I wish you good health and much success in your highly responsible duties.

Yours sincerely,

ORBÁN Viktor
